Please also submit the following with this completed application form:

1. An essay (at most one-page and typed) describing your interest and commitment in teaching at a high-need school district in Oklahoma at the secondary level. As defined by the funding agency, the U. S. National Science Foundation (NSF), a high-need school district is one that serves an elementary or secondary school in an area in which there is one or more of the following:
 - (a) A high percentage of individuals from families with incomes below the poverty line.
 - (b) A high percentage of secondary school teachers not teaching in the content area in which the teachers were trained to teach.
 - (c) A high teacher turnover rate.
2. Name, email address and/or phone number of at least three college/university faculty who could address your academic abilities.
3. Unofficial copy(s) of all college/university transcript(s) showing all courses taken and/or currently taking.

Please mail all application material to the following address:

ECU Robert Noyce Teacher Scholarship Program
